business over view and analyse the system with our policies and procedures including the Constitution and By-Laws

Peter is also advising on our grant application to Department of Sport and Recreation. He advised the meeting that one of the areas that is not meeting the requirements is the number of full members. Bowls NT need 500 and at this stage have only 330. He explained that there are many social bowlers that play regularly that should be classed as full members. Paul Jackson our RBM visited Darwin and Alice Springs last week and he a Peter have worked out some areas to go forward with.

In the new year Peter will write a plan to ensure the grant is all utilised.

The Delegates were advised that Peter and the Board are holding a workshop on Saturday the 6th July.
