.

Outstanding.

Feedback and comment required from Clubs as to the changes that occurred with this season's pennant.

No written comments received back from any Club however during the meeting suggestions morning games and/or Friday evenings be considered by Board. Will be referred to the Match Committee when appointed for 2023.

Bowls NT put out a survey to all those players that had competed within the Sides and Senior sides in 2022 and sought their feedback as to the arrangements and what could be done better to improve such for the players. The feedback received was extremely poor with a response rate of around 25% so if Clubs receive any negative comments back from their players please remind them they were all given an opportunity to voice their opinions.

It should also be highlighted that the Bowls NT Board election process is an independent process and not controlled by Clubs. Nominations come from individual persons who are nominated and seconded outside of the Club controls.

6. Next Meeting will be : Monday 27th February 2023

8. Meeting Closed : 6.00pm

Marty Garnett

President Bowls NT
